

Job Title: Shop Helper - Cylinder Technician Assistant

Location: Loveland

Position Type: Full-Time

About Us:

ETI Inc. is a leading provider of hydraulic cylinder repair and heavy equipment maintenance services. We take pride in delivering high-quality solutions to our clients across various industries. As we continue to grow, we are looking for a dedicated and reliable Shop Helper to join our team and assist our Cylinder Technicians in delivering top-notch services to our customers.

Job Description:

As a Shop Helper at ETI you will play a crucial role in ensuring the efficiency and cleanliness of our shop. You will work closely with our Cylinder Technicians to support them in their tasks, which include cleaning, repairing, and refurbishing hydraulic cylinders. Your responsibilities will include:

Key Responsibilities:

- **Clean-Up:** Maintain a clean and organized work environment, including sweeping, mopping, and disposing of waste materials.
- **Cylinder Cleaning:** Assist Cylinder Technicians in cleaning cylinders that come in for repair, ensuring they are ready for refurbishment.
- **Loading and Unloading:** Safely load and unload hydraulic cylinders from delivery trucks and workstations.
- **Painting:** Help with the painting of cylinders and other parts as needed, ensuring a quality finish.
- **Packaging:** Properly package cylinders and associated parts for shipping to clients.
- **General Assistance:** Provide general assistance to the Cylinder Technicians and shop personnel as required.

Requirements:

- **Reliability:** Must be punctual, dependable, and committed to meeting work schedules and deadlines.
- **Valid Driver's License:** A valid driver's license is required for occasional local deliveries and pickups.
- **Physical Stamina:** This position involves manual labor, lifting heavy objects, and standing for extended periods. You should be physically fit and able to perform these tasks.
- **Team Player:** Collaborate effectively with colleagues and take directions from Cylinder Technicians and shop management.
- **Willingness to Learn:** Be open to learning new skills and techniques related to cylinder repair and maintenance.
- **Work Ethic:** Must be diligent, hardworking, and willing to get your hands dirty to complete tasks.
- **Safety Awareness:** Adhere to all safety guidelines and protocols to ensure a safe working environment.

Benefits:

- Competitive hourly wage
- Opportunities for skill development and advancement within the company
- Health and dental benefits
- Friendly and supportive work environment

If you're a dedicated individual with a strong work ethic, a valid driver's license, and a willingness to roll up your sleeves and contribute to our team's success, we encourage you to apply.
